**Invitation and information Balkan Championships, 27-28 July 2013
Stara Zagora/BUL**

Dear Friends,

It is our pleasure to invite your team to take part in the 66th Balkan Championships 27-28 July 2013 in the city of Stara Zagora. The synthetic track of the athletics stadium in Stara Zagora was entirely renewed; in fact the works are still going on, but it will be completed just in time to offer great conditions for a Balkan event. We are proud to announce that Bulgarian National Television, member of EBU, will shoot and transmit live the Championships.

As per the ABAF Championships Regulations, the organisers is covering board and lodging expenses for a maximum number of 3 nights and maximum number of 63 persons (50 athletes and 13 officials) per delegation plus drivers (if the team is travelling by bus). Teams are kindly requested to arrive to Stara Zagora on 26 July and leave on 29 July. We shall provide transfer from Sofia airport for those who prefer to travel by plane. Those federations needing visas to enter Bulgaria are kindly requested to submit a list of the participants with passport details as soon as possible in order to facilitate the visa issuance procedure.

We kindly ask you to return the Preliminary Entry form as soon as possible and the Final Entry Form not later than **Wednesday 17 July 2013**.

Looking forward to welcoming you in Stara Zagora, we remain,

Sincerely yours,

Dobromir Karamarinov
President
